

PRIEST WORKSHOP WITH VOCATION MINISTRY

Vocation Ministry provides workshops to inspire priests to become vocation promoters in their own parishes. Our speaker spends 3-7 sessions during a convocation or 5 hours during a separate priest gathering presenting.

During the priest gathering, we provide guidance on who they should invite to lead this ministry. The priests will then ask 2-5 parishioners to a subsequent parishioner workshop to learn the nuts and bolts of parish vocation ministry.

90% of priests are highly likely to start a vocation ministry after this workshop
