

WHAT OUR PARTNER VOCATION DIRECTORS RECEIVE:

Let us walk with you, whether you are a new director or a seasoned veteran, to **CULTIVATE A FRUITFUL HARVEST FOR YOUR DIOCESE.**

Over the last nine years, working with over **100** vocation directors, we have refined this model of success.

ASSESS

- Understand the existing landscape to tailor events accordingly.
- Analyze the vocation data to provide strong estimates of future **data***

*DATA

- Total Priests active in 5, 10, 15 years
- Priest retirements and effects on changes in workloads (number of Parishioners Served).
- Seminarian class size and its effects on potential ordination numbers.
- Effects of Discern Out Rate on number of seminarians needed.
- A number of situational cases are drawn out in depth.
- Ordinations Required to meet diocesan goals

PLAN

- Engage priests, laity, and educators in creating fertile soil in their environment through our signature workshops.
- Design individualized diocesan plan through quarterly sessions with Office of Vocations team
- Gain free access to a variety of marketing promotional resources

STRATEGIZE

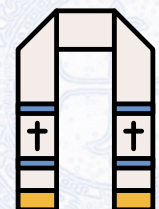

- Use proven strategies to identify collaborators within the diocese.
 - Parishes, priests, parishioners, schools, principals, youth ministers, and campus ministers
- Create discerner funnel customized to the needs of the diocese

CAPITALIZE

- Fill Office of Vocation funnel with men and women who are ready to hear the call.
- Equip with tools, resources, and timing to productively run Called by Name and St. Andrew Dinners.
- Offer optional virtual check-ins with workshop attendees and parish vocation ministry members

Our workshops significantly increased the number of parish vocation ministries in the **Diocese of Venice, Florida**, growing from **2** to **30** within a few months.

After our workshops, the **Diocese of Austin, Texas** doubled their seminarian numbers from **28** in 2022 to **60** in 2024.
